

Money in Hot House Races

These C&E numbers are combined totals from mid-year, 30-day and 8-day reports; loan balances and cash on hand numbers are from the 8-day reports. Incumbents are noted with an asterisk, and the names of winners are in boldface. We got our numbers from candidate reports filed with the Texas Ethics Commission and from unofficial election results posted by the Texas Secretary of State (At least three races on the list appear headed for recounts: HD-48, HD-117, and HD-149). Full campaign finance reports, once filed, are available online at www.ethics.state.tx.us. Final vote canvasses should be complete in a couple of weeks.
